## COMPLETE OVERVIEW THANKS TO A LARGE DISPLAY

The large display of the HORWIN SK3 shows you all the information you need during your journey: current speed, cruise control, battery level, riding range and much more.

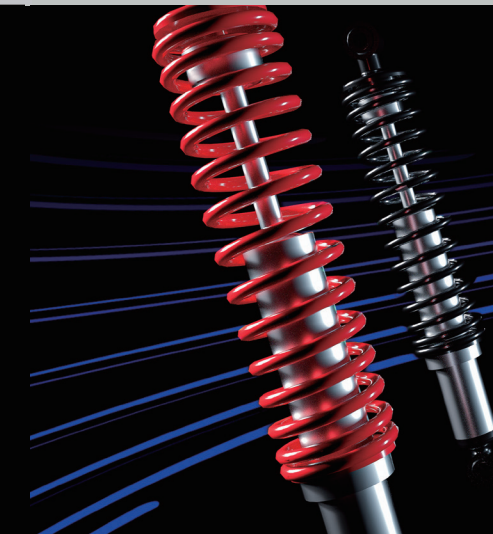

## HEADLIGHTS SAFELY LIGHT THE WAY HOME

The SK3 continues the tradition of the HORWIN family with intelligent full-LED headlights in automotive quality. With their super bright light, they literally cut through the night.

## FOUR SHOCK ABSORBERS FOR ALL ROAD SURFACES

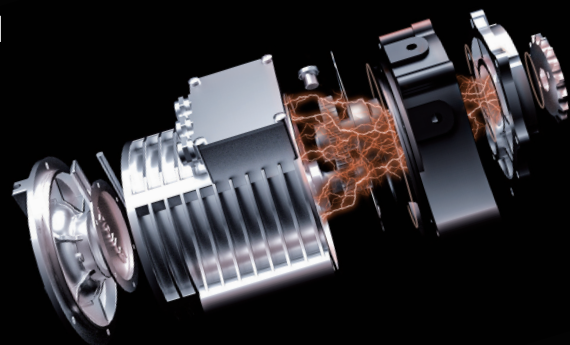

The SK3 scooter is fitted with twin hydraulic shock absorbers at the front and rear. They offer the rider an outstanding riding experience – no matter what the state of the road is.

## EVERY ACCELERATION IS AN EXPERIENCE

The Center Motor generates an output of 6.3 kW and a speed of 90 km/h.

TOP SPEED **90 km/h**

## THERE IS NO BETTER WAY TO START

The keyless start of the vehicle is another highlight and simplifies the handling of the SK3.

## LOTS OF SPACE UNDER THE SEAT TRUNK

The large storage compartment under the seat can easily hold your daily necessities, such as helmets and backpacks.
